Why should you attend –
Goals of the Event

Getting to know the 9 LEVELS VALUE SYSTEM[®] theory and background:
 How does it show in my organization / team / me
 Analyzing profiles
 Areas of application for and how to debrief and how to apply the 9 LEVELS VALUE SYSTEM[®] profiles' insights.

What is it – Concept Introduction

The 9 LEVELS VALUE SYSTEM[®] explains why we are the way we are, **how to change** in order to **stay attractive, competitive and innovative**. The online tool 9 LEVELS VALUE SYSTEM[®] is not only **scientifically researched and validated**, but also **tested in reality** by a broad network of European consultants in **global players as well as medium-sized companies**.

What You Will Take Away – Benefits

A fundamental new approach and know-how to...

- **Systematically assess** & best understand of the **value system of organisations**, companies, leaders, teams and individuals - often referred to as **psychological DNA - what really moves them**
- **Measures** your personal, group or organization **profile**, substantially **depict the current As-IS-Situation**
- **Defining the best-fit-scenarios** the current situation of change, development and adaption
- **Clear guidance what to change and adapt in what way to easily reach and sustain the defined target culture.**
